

Magic Marlborough Menu

Year 1 Autumn Term

Theme: *Why am I unique? and All Around Us*

Area of Study	1 point	2 points	3 points	4 points
English 	Visit your local library to find some books fiction books to read. Which is your favourite and why?	Create a phonics poster with all the sounds you know. Think of some words with the sounds and write these too. Add some pictures to go with them! Don't forget digraphs and trigraphs.	Choose your favourite story and re-write it in your own words.	Write a recount of your favourite activity this term.
Maths and Problem Solving 	Make your own ladybird and use counters or spots to practise your number bonds to 20. Write down the number sentences you find.	Go on a shape hunt around your home. What shapes can you find? Draw and label these in your book.	Draw a toy using 2D shapes. You could include a list of the shapes you have used. Describe their properties using mathematical language such as sides and corners.	Create your own calendar to record important dates on, for example: birthdays in your family, friends' birthdays, special celebrations. Decorate your calendar.
Science 	Draw three plants from your garden. Label and describe them.	Create a poster about Autumn.	Go for a senses walk in your local area. Describe your walk using all five senses (touch, smell, taste, hear, see)	Reflect on your learning of the seasons Summer and Winter...What is the same and what is different?
History, Geography, RE 	Visit your local library to find some books about an inspirational person we have learnt about. Record three interesting facts you learnt.	Create a poster for your favourite toy.	Go on a walk in your local area. What features do you find? (parks, homes, schools, train stations etc)	Design a new town. Draw and label a diagram of your town. Why should someone live there? Convince them.
Creative Arts 	Create a dance or sing/play a song to perform to your family.	Sketch your home.	Design and label an outfit to wear to Carnival. Write about why you chose this.	Design and make a model of a toy that you have invented.
Health and Wellbeing 	Design a healthy meal, with drink included, to eat for dinner. Write a list of ingredients you would need.	Complete three physical activities you have never completed before. Draw and explain what you did.	Create a new sports game to play with your family.	With your family, make a healthy meal to eat for dinner. Take a picture and put it in your book. Have everyone write a mini review of the meal.

Guidelines:

Choose one activity from Magic Marlborough Menu each week. Put a circle around the activity once you have completed it and remember to evidence your work in your Home Learning book

Your goal is to achieve over 20 points by the end of the term.
