

Magic Marlborough Menu

Year 2 Autumn Term

Theme: Keeping Healthy and Islands

Area of Study	1 point	2 points	3 points	4 points
English 	Visit your local library to find some books about Keeping Healthy. Record three interesting facts you learnt.	Create a persuasive poster to convince someone to travel to Bali.	Write a letter to Mrs Byron explaining how you keep healthy.	Research facts about a Famous Nurse or Doctor (eg. Florence Nightingale, Mary Seacole). Create a leaflet on what you learnt.
Maths and Problem Solving 	Find out the currency used in Bali. Paste in pictures of the coins and notes used. How are the same and different to ours?	Research how many hours it takes to get to Bali. If you left at 9am, what time would you get there?	Record the minutes you exercise every day. Create a graph to show this.	Go for a walk in the park. Create a pictogram of all the plants you saw.
Science 	Draw three plants from your garden. Label and describe them.	Create a poster about why exercise is good for you!	Write a diary of the exercise and food you eat over the week.	Research and draw the life cycle of two animals. What is the same? What is different?
History, Geography, RE 	Visit your local library to find some books about Famous Nurses or Doctors. Record three interesting facts you learnt.	What communities do you belong to? e.g. Beavers, football team, religious community etc. Write about why each one is important to you.	Locate Bali on a map. Research and record the cities and landmarks. Which one would you like to visit and why?	Design a new island. Draw and label a diagram of your island. Why should someone live there? Convince them.
Creative Arts 	Create a dance or sing/play a song to perform to your family.	Create an origami animal. Write the instructions on how to make it.	Design and label an outfit to wear to Carnival. Write about why you chose this.	Design and make a model of a plant that you have invented.
Health and Wellbeing 	Design a healthy meal, with drink included, to eat for dinner. Write a list of ingredients you would need.	Complete three physical activities you have never completed before. Draw and explain what you did.	Go for a walk around your local area. Design a map to record your walk.	With your family, make a healthy meal to eat for dinner. Take a picture and put it in your book. Have everyone write a mini review of the meal.

Guidelines:

Choose one activity from Magic Marlborough Menu each week. Put a circle around the activity once you have completed it and remember to evidence your work in your Home Learning book.

Your goal is to achieve over 20 points by the end of the term.
