

Marlborough Magic Menu

Year 3 Autumn Term

Theme: The Stone Age and Earthquakes & Volcanoes

Area of Study	1 point	2 points	3 points	4 points
English 	Read a book of your choice and write a detailed book review.	Read a book of your choice. Design a new front cover and write a blurb.	Write a fictional story about travelling back in time to the Stone Age.	Research somebody famous for Black History Month and write an information text all about their life.
Maths and Problem Solving 	Create four Maths worded problems based on addition, subtraction, multiplication or division.	For one week, keep a record of how many hours of TV you watch each day. Create a tally chart to show your results.	Measure the length and width of one room in your house. Calculate the perimeter. Draw a diagram in your book.	Create your own maths game. Be prepared to show it to the rest of the class.
Science 	Draw and label the human skeleton.	Design a healthy meal for breakfast, lunch and dinner. Draw and label the five main food groups.	Take a walk on your street. Identify and draw 3 examples of where rocks have been used in everyday life. Label the type of rock it is and why it is suitable for purpose.	Write a food diary for the week to show what you are having for breakfast, lunch & dinner. Clearly state which food groups they belong to and why each one is important for us.
History, Geography, RE 	Visit your local library and collect some information on the Stone Age.	Research Christianity and Buddhism. Create a table explaining the similarities and differences between the two religions. Think about places of worship, religious leaders, holy books etc.	Create a chronological timeline of either: events during the Stone Age or your life!	Imagine a massive Earthquake has taken place. You are a journalist and must write a newspaper article to explain what happened. Include the causes of Earthquakes, quotes, details of destruction etc.
Creative Arts 	Look up a picture of Stone Age houses and sketch it carefully.	Create an origami animal. Write the instructions on how to make it.	Research the Stone Age and write a short poem about it. Perform it to your family.	Make a 3D model of a volcano and label each part using key vocabulary.
Health and Wellbeing 	Write a diary about your weekend – include any feelings or emotions that you experienced.	Complete three physical activities you have never completed before. Draw and explain what you did.	Go for a walk around your local area. Design a map to record your walk.	Help with any chores around the house for a week. Describe what you did and explain how it made you and others feel.

Guidelines: Choose **any one** activity from the whole of the Marlborough Magic Menu **each week**. Put a circle around the activity once you have completed it and remember to evidence your work in your Home Learning book. **By the end of the term, you must have chosen at least one activity from each area of study.** Your goal is to **achieve over 20 points** by the end of the term!
