

Marlborough Magic Menu

Year 6 Autumn Term

Theme: Crime and Punishment and Britain at War

Area of Study	1 point	2 points	3 points	4 points
English 	Find 10 facts about WWII.	Write an acrostic poem based on the human heart	Write a courtroom speech as someone who has been accused of a crime you did not commit.	Have a go at writing a short story about being evacuated to the countryside.
Maths and Problem Solving 	Create a timeline showing different types of punishment for the crime of theft.	Rationing was difficult. You only have £5 to spend for a week's food shopping. Use www.asda.com to decide what you would buy. It has to last all week!	Create a maths game based on the facts you have learnt on crime and punishment.	Collect the numbers of those who took part in all nations and those who either were injured or killed, collate to gather a whole world total.
Science 	Find out how families were affected during the war because of 'Blackouts'.	What is DNA? Why is it important for crime fighting?	Use a venn diagram to sort historic (old) crimes and modern (new) crimes. Which ones appear in both circles? For example, theft, murder...	Make an information booklet about exercise.
History, Geography, RE 	What is the difference between sin and crime?	Imagine you have been arrested and locked in the tower of London for a Crime you did not commit. Write a diary entry.	How does the criminal justice system in Germany differ from our British system?	Write in your own words, a description of The Treaty of Versailles. Who was involved? What happened? What were the outcomes?
Creative Arts 	Design (and make) a new outfit suitable for today's police - what makes it fit for purpose?	Research popular music during WWII and create a fact poster. (Send me a video of you singing it too!)	Create silhouette art based around a trench scene.	Create a 'spot the difference' picture for a medieval trial and a modern one.
Health and Wellbeing 	Create an e-safety poster about staying safe online.	Design and draw an assault/obstacle course that would test the physical fitness of a police officer.	Find a wartime recipe and make it at home. Bring the food in for us to taste or send a picture/video.	Recycle... Items around the house and construct your own diagram of the heart/digestive system/circulatory system.

Guidelines:

Choose one activity from the Marlborough Magic Menu each week. Put a circle around the activity once you have completed it and remember to evidence your work in your Home Learning book.

Your goal is to achieve over 20 points by the end of the term.
